Tour Itinerary

Day 1 :- Tromso

Your Nordic adventure begins in the Arctic Capital, Tromsø. After making your own way to your hotel, the rest of the day or evening is free to spend at your leisure.

Dinner

Day 2 :- Tromsø

This morning, you'll arrive at the Arctic Capital itself, sitting around 217 miles/350 kilometres north of the Arctic Circle. You'll bid farewell to MS Trollfjord, and a transfer will take you to your hotel in the centre of Tromsø, where you'll spend the final night of your journey. You can spend the rest of the day at your leisure, strolling around a historic Arctic city that is rich in explorer history. On the waterfront you'll find Polaria, the world's northernmost aquarium, while on the other side of the fjord from the harbour is the iconic Arctic Cathedral, with its beautiful stained-glass mosaic.

Dinner Breakfast Lunch

Day 3 :- Svolvær

Today, we explore Lofoten, a striking group of islands that rise out of the Norwegian Sea. As soon as you see the towering peaks around you with fishing villages clinging to their sides, you'll understand why this island chain is so often praised as one of Norway's most stunning locations. We'll dock in the town of Svolvær mid-morning. Located on the island of Austvågøya in the heart of Lofoten, Svolvær is the biggest town of the archipelago, humming with shops, restaurants, galleries, and cafés to enjoy. You can also admire views of the Svolvær Goat, a nearby mountain named for resembling a goat and its horns.

Dinner Breakfast Lunch

Day 4 :- Brønnøysund

Surrounded by islands and water, Brønnøysund sits on a narrow peninsula that juts out of the mainland. Around 5,000 people live in this small town, many in colourful houses against a backdrop of gentle slopes and dramatic mountain peaks. Enjoy the bustling atmosphere of the harbour and take a walk along Havnegata. Drop into one of the pubs for a snack, or treat yourself to a meal in a local restaurant. Wander the visitors' marina, or visit an 1870 Neo-Gothic stone church.

Dinner Breakfast Lunch

Day 5 :- Ålesund

After a hearty breakfast on the ship, we'll dock mid-morning at a town that spreads out across a string of islands. With a few hours to explore, you'll have plenty of time to see all that Ålesund has to offer. You can also visit the Atlantic Sea Park, Norway's first marine science centre. This is one of northern Europe's largest saltwater aquariums, providing a home to seals, otters, and crabs, as well as many other kinds of marine life. You can even see Humboldt Penguins here, a species otherwise absent north of the equator.

Dinner Breakfast Lunch

Day 6 :- Haugesund & The Hardangerfjord

As we sail past the southern tip of Norway, we'll begin heading north along the west coast. Just past Stavanger, we'll reach Haugesund, the 'Home of the Viking Kings'. After a short stay in Haugesund, you'll rejoin the ship for a short scenic cruise into Hardangerfjord, one of Norway's finest waterways. At 179 kilometres in length, it is the second-longest fjord in the country, and fifth longest in the world.

Dinner Breakfast Lunch

Day 7 :- Kristiansand

Kristiansand is Norway's fifth-largest city. We aim to be at port from mid-morning to early evening, giving you plenty of time to explore. As you walk around Kristiansand, you might notice that the city is built on a uniform grid plan, with several straight roads running from the harbor all the way through the city. These roads are lined with architecture from different eras – evidence of the extensive rebuilding the city underwent after major fires in the 18th and 19th centuries and an attack during World War II.

Dinner Breakfast Lunch

Day 8 :- Oslo

After enjoying breakfast in your hotel, you can explore Norway's capital at your own pace and discover its main attractions. Art lovers won't want to miss Vigeland Sculpture Park, located at the centre of splendid Frogner Park. There, you'll find more than 200 visually striking sculptures in bronze, granite, and cast iron by prolific Norwegian artist Gustav Vigeland.

Dinner Breakfast Lunch

Day 9 :- Oslo

Checking out of your hotel in Oslo after breakfast marks the end of your travels with us.

You've sailed on The North Cape Express, exploring Norway's coastal landscapes, cities, and villages. During the journey, you'll have experienced Norway's varied climate, seen majestic mountains and fjords, and maybe gazed up in awe at the Northern Lights once or several times.
